CRYSTAL ACORD — My 4 years at OHS have been an experience I'll never forget. (Even though I'll try.)

GARY ACORD — I've learned about a lot of things here at Oceana, but overall it's a boring place unless you create your own fun, and when you do you get put in D-Hall.

YVONNE ACORD — It was the best 4 years of my life. I met alot of people. If it wasn't for OHS, I wouldn't have met Rodney! It was great!!!

KIRK ADAMS — I think the first 3 years at OHS were grand. There were new things to see and new things to do. Here it is the final year, it was here in a blink of an eye, but now goes by so so so so sooo . . . SLOW!!! I don't think it will ever end. I can't wait till graduation.

ANGIE ALTIZER — My 4 years at OHS have been some of the best years of my life. And after we graduate and go our separate ways, we may never see each other again, but the class of '89" will never be forgotten. The memories, great times, and friends (Crystal, Ellen, and Kirk) will last forever.

CURRENT

The Democrats went to Atlanta in the summer of 1988, and decided on Michael Dukakis, the governor of Massachusetts, to be its candidate for President of the United States. He decided to pick Lloyd Bentsen, a senator from Texas, as his running mate.

The summer of 1988 was hit with the worst drought in many years. Throughout the midwest, farmers watched helplessly as their crops dried.

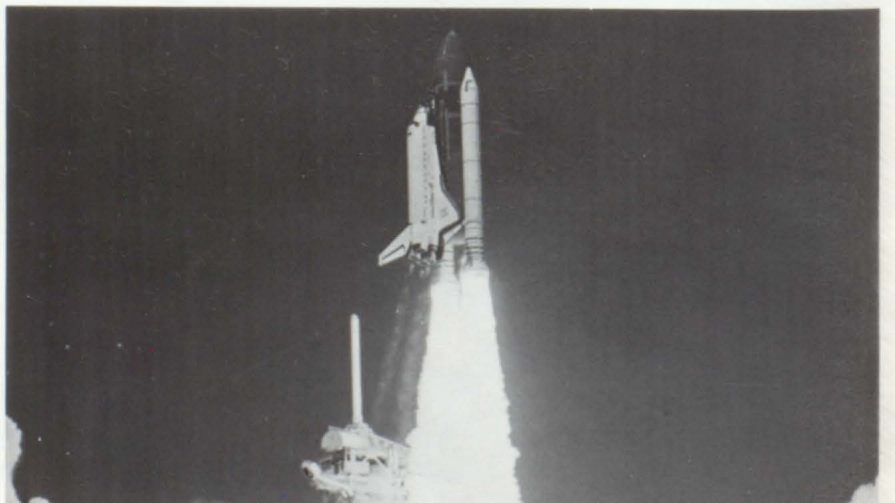

Forest fires spread throughout the western part of the country in the summer of 1988, destroying millions of acres of national parkland. The most heavily damaged was Yellowstone National Park.

Vice President George Bush got the expected nod at the Republican Convention in New Orleans in the summer of 1988. His running choice was unexpected — Sen. Dan Quayle of Indiana.

The Duke and Duchess of York, Andrew and Fergie, have a new daughter named Beatrice. She was born on August 8, 1988.

The shuttle Discovery blasted into orbit in September, the first space flight since the shuttle Challenger mission ended tragically. The Discovery ended its successful mission with a triumphant landing at Edwards Air Force Base in California.

EVENTS

It became an international effort of good will. Russians and Americans cut through the ice in Alaska to save two California gray whales. The whales were trapped in the ice for more than three weeks.

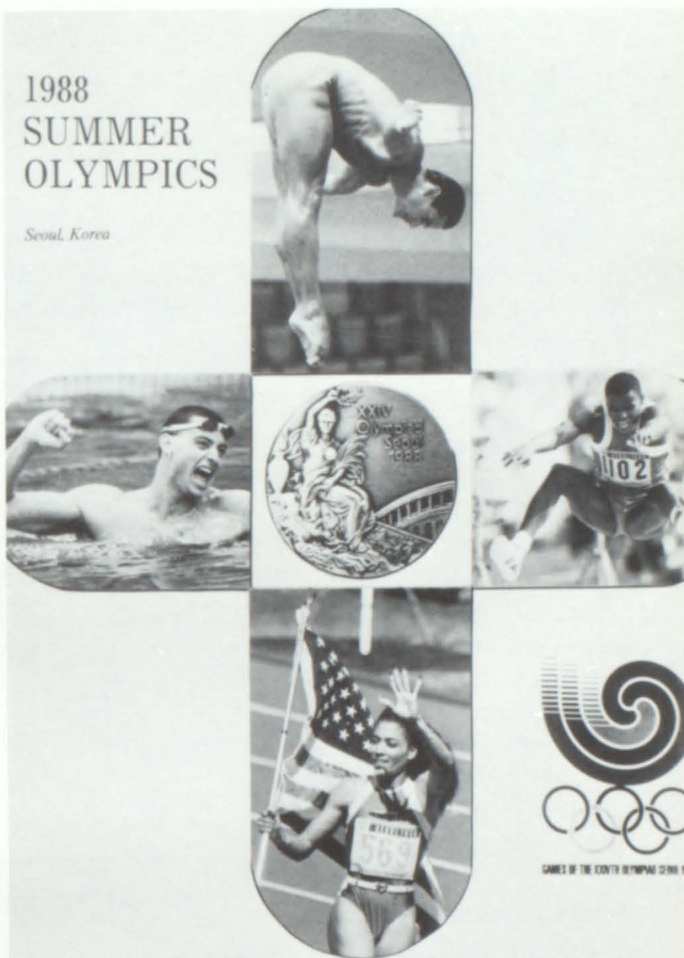

President Reagan and Soviet Leader Gorbachev worked for several years to bring the two countries together. After a treaty was signed to eliminate certain nuclear weapons, 1988 was the year the efforts of these two leaders went into effect.

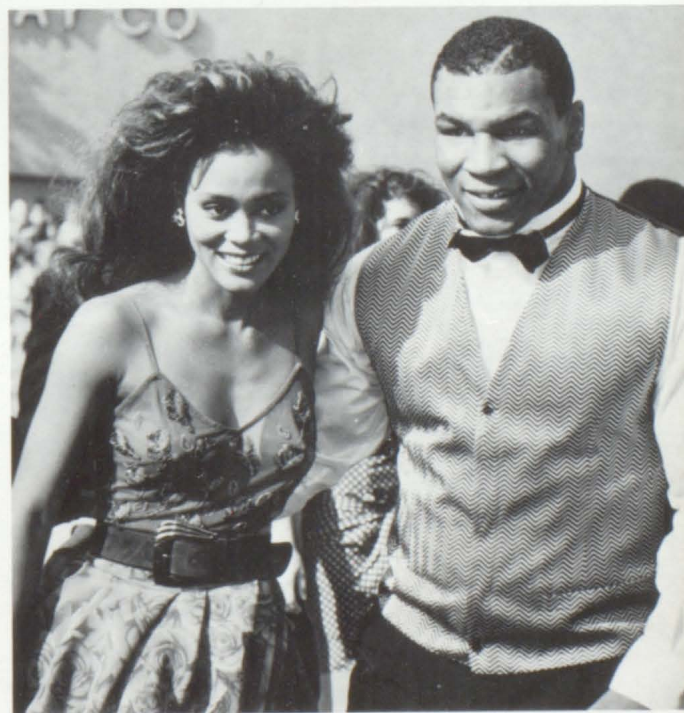

Thousands of people who had died of AIDS were memorialized in October in ceremonies centered on a huge quilt that was made from friends and family of the victims. All 50 states and a dozen foreign countries were represented in the quilt.

1988 SUMMER OLYMPICS

Seoul, Korea

The stars of the 1988 Summer Olympics, Clockwise from Top: Diver Greg Louganis; track and field star Carl Lewis; Florence Griffith Joyner; and swimmer Matt Biondi.

It was one of the big marriages of the year. Heavyweight boxer Mike Tyson married actress Robin Givens. The stormy marriage lasted less than a year. She filed for divorce. After being accused of marrying "Iron Mike" for his money, Ms. Givens said she wouldn't take a dime.
